In Focus

Another year at Moline High School has come to a close. This year's "M" celebrates your stories, heartfelt friendships, and departures. This year shined brighter than the flash of our cameras, but we never lost focus: the students of Moline High. Now with a camera full of film, we can look back on the lively events of the 2016-2017 school year.

As you scroll through the memories of high school, use this yearbook to guide you through some of the greatest moments of the year, reminiscing and laughing with your friends over some of the best stories from MHS.

Though the year may not have been so picture perfect, it still remains jam packed with memories to last a lifetime. Before the pictures become fuzzy, take a look at the year gone by and all that you have done, the friends you have made, and the mark you have left here at the high school.

Homecoming Week

The Greatest Show on Earth

The 2016 Homecoming week consisted of a lot of fun, hard work, and Moline pride! With the theme of Circus, the floats this year were fun and creative. The week started off with a new event--Monday Night Movie at Browning Field. During the week, students put in a lot of hours each night to create the floats, and in the end, the seniors helped the juniors so they could finish on time, showing how the parade was more important than the competition. During the school day, students dressed up in a different theme for each day of the week. Everyone got comfortable on Monday in their pajamas followed by tie dye for Tuesday. Wednesday was America day, and Thursday was jorts and jerseys. Finally, we showed our school pride with maroon and white on Friday, the day of the Homecoming game. The Maroons put up a tough fight against Galesburg, but unfortunately we were defeated. However, we raised our spirits for the Homecoming dance the next day--and it was lit!

On Monday, September 19, 2016, Moline High School held Coronation for this year's Homecoming Court. This event marks the beginning of Homecoming week, but the process of choosing our king and queen starts shortly after the school year begins.

For the first step of the process, seniors nominate their top choices and then a list of 24 representatives is compiled from the nominees with the most votes. Using an online form, the juniors and seniors then vote for their top choice for king and queen. The final results are not revealed until coronation day.

At coronation, the court is announced one by one until the king and queen are revealed. The announcers for this year's event were Pranjal Kadwe and Karthik Prakash, who introduced the court to the audience. For the 2016 Homecoming, Ryan Reed and Jewelry Thornton were crowned as Homecoming King

and Queen, and Riley Olson and Emma Kindred were deemed Homecoming Prince and Princess. The court finished off the week by riding in the parade and being introduced before the big game. This year's representatives helped make the entire Homecoming week a successful one.

MADCAP ALICE Project

This year, Moline students performed their own version of *Alice in Wonderland* in the *Madcap Alice Project*. The upperclassmen dedicated countless hours playwriting and editing the script over the summer. The playlist was adapted to appeal to today's teenage audience. The twist on the original plot mixed with the immense creativity from the talented Moline theatre students made the show a huge hit!

"*Madcap Alice* was a fantastic opportunity and one of my favorite productions to be a part of. It was an amazing experience to watch the show come together and be able to write and connect to all the characters and actors. Not many students get the chance to write a play, and I'm so happy to have been involved."

...STUDENT WRITERS...

"Writing a script with my creative peers for a theater that I love was an experience that has taught me a lot about a creative writer's process. Most students will never experience the joy (and frustration) of preparing a completely personalized show. Our director, Mr. Vo, has pushed all of us to explore, and I will miss and cherish every single bit of Moline Theater. It has changed my life, and I have gained so much knowledge through my directors and my theater family."

- Allissa Krogman

"Being apart of the MadCap writing process allowed me to explore myself creatively not only as a performer, but a writer as well."

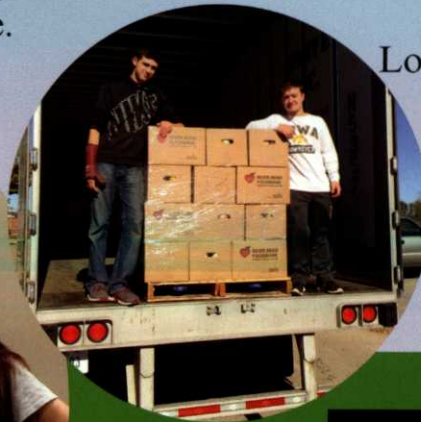

- Blake Barnell

"Over the summer, a group of selected students met several times a week to brainstorm ideas for a play based off of Lewis Carroll's *Alice in Wonderland*. We went through a series of workshops led by our director, Mr. Vo, that expanded our knowledge. We incorporated all of these into the production; it was an incredibly eye-opening process, and all of the students were able to bond and eventually create an original production!"

- Janie Adams

Tyler Emmert, Seth Bull, Alicia Arias Villalobos, and Shannon Thomas help kick off the Hunger Drive.

Loading Day!

Hunger Drive

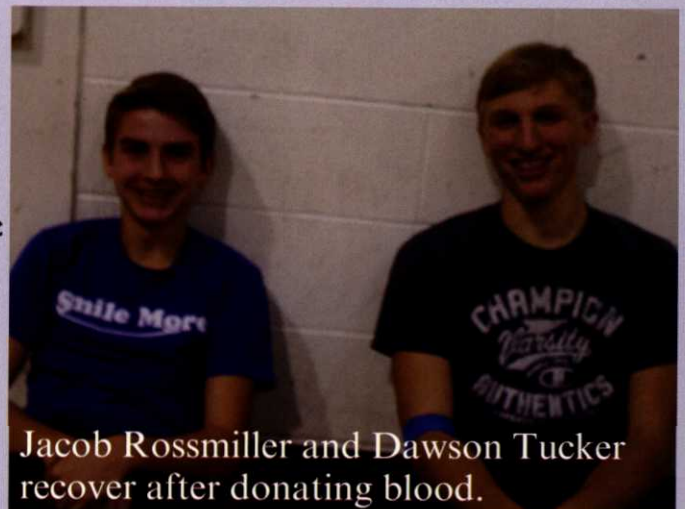

The Powder Puff Game!

COMMUNITY *Connections*

The students at MHS found many ways to reach out to our community. To begin, the Hunger Drive raised 28,781 pounds of food, which averages out to 13 pounds per student at MHS. The monetary value of Moline's donation was \$19,154.00. Students sixteen years and older opted to participate in blood drives run with the help of Student Congress and the Mississippi Valley Blood Center. Each donation from our students can save up to three lives! Our students could also be seen in the fall as they helped rake leaves and clean up our neighborhoods. On Veteran's Day, the History Club invited local veterans to tell their stories to our student body in the auditorium. This has led to the club's larger project of filming veterans as they recollect their memories, which will be shared at local and state levels. After a tornado hit the town of Ottawa, Moline students raised \$4800.00 in 48 hours, so we could present a check to them during the Regional game, where Ottawa was our opponent. One thing is for sure: the students of MHS care!

Blood Drive

The History Club poses with war veterans, who were interviewed in the auditorium on Veteran's Day.

Veteran's Day

Dana Plagenz and
Pranjal Kadwe

Share Joys, held every year during the holiday season, is a great break from the stresses of everyday school. With plenty of elves selling Oreo balls, puppy chow, and other tasty treats, this celebration is a staple at Moline High School. This year's celebration included a donut-eating contest, a talent show, and an improv comedy room hosted by the Drama Club. Though it may seem like two wonderful days of great fun and delicious foods, Share Joys raises a large sum of money, and all of the profits go towards winter clothing for less fortunate students in the school district. This year the students and staff raised \$51,650.00, bringing the total raised since 1949 to \$1,109,902.00. Thus, while we filled our stomachs, all of the money raised filled the hearts of over 270 children in our district.

[The Life of an Elf...]

"Being an elf was so much fun, especially watching kids get so excited when you said you had Oreo balls."

-Julia Meisner

"Being an elf was a lot of fun. Making all of the treats was hectic, but it was really great to have mini-competitions with my friends as to who could sell the most."

-Lauren Welvaert

"Being an elf was an opportunity that was fun for both making the food and dressing up to sell it."

-Nathan Fields

Above: Ellie Schimmel and Greta Long sell Whitey's Ice Cream in the cafeteria.

Above Right: Isabel Zimmerman and Abhi Sodhani are dazed by the number of tickets they collected in B-Wing.

Pictured right: Ready with milk to wash them down, Britta McNinch scrambles to eat the most donuts at the Donut Eating Contest.

Brandon Zetina performs a guitar solo for the audience.

Luke McMillan sings his heart out with a Michael Buble impression.

Abbey Gustaf struts to the beat of the music with her dancing skills.

The Little Prince

Le Petit Prince

This year's winter play, *The Little Prince*, was more meaningful and thought-provoking compared to a basic fairytale. Ben Klocke was the main little prince who told his tales of venturing amongst various planets. Sharing his stories with the Aviator, Ryan Reed, he was able to remind the Aviator of his youth. Overall, the Aviator was able to show the audience that learning from children is one of the most important things you can do to grow. Even as adults, we must remember the innocence of our childhoods. The unique show warmed many hearts.

Zach Zelnio as the Narrator.

"Being in *The Little Prince* was an amazing learning experience, and I got to grow closer to other people in the theatre. It truly was an honor to perform for the school and the community. Moline is so lucky to have the theatre department that we do."

- Greta Long

"It was a really great process with a lot of experimentation straying from traditional productions. It was wonderful to be a part of a show that held so much of a deeper meaning than what the audience may have originally expected."

- Zamone Perez

The Little Prince, Ben Klocke, befriends the Fox, Greta Long.

Focusing

on more than **School**

Jacob Dodson and
Ellie Cruse

No matter where you go in the Illinois Quad Cities, you are likely to see an MHS student hard at work. Whether you want a new outfit, some fast food, a tasty treat, or just some fun, Moline students are there to help. However, balancing school and work is not always easy and many students have late nights because they need to do their homework after they finish their jobs. Having these responsibilities can be difficult, but these MHS students make it look easy.

Cinderella★

The 2017 fall musical was none other than the classic fairytale, *Cinderella*. Moline students turned the well-known story into a magical production. Cherrie Herberg played Cinderella in her first lead role on the MHS stage. Prince Charming was played by Aaron Miller. With the help of the pit and crew, the company was able to bring a fairy tale to life. They even hosted a Cinderella Ball the week before the production, so children could get pictures on the grand staircase just like Cinderella. Before the performances, audience members were able to buy magic light-up wands that they waived during the Fairy Godmother scenes, making a memorable visual for everyone. The cast's beautiful voices and the pit's incredible talent made the show pleasing to the ear as well. It was definitely a production to remember.

Emma Kindred &
Ethan Johnson

Madison Perry &
Hannah Frye

"I believe that the musical turned out magical. I've always loved the story of Cinderella and was ecstatic about fulfilling a childhood dream of playing her character."

- Cherrie Herberg

"Thank you to all directors, former and current, for the privilege of performing on the Moline stage time and time again. Though my acting career in high school may be over, I will never forget this theatre and the experiences brought with it."

-Aaron Miller

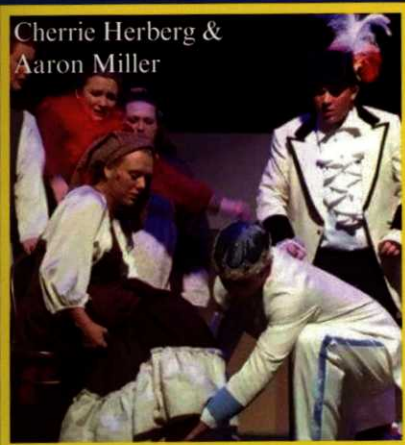

"It was a lot of fun working with a great group of peers and directors. It is something I will never ever forget."

Disco Dance

For the first time, The "M" and Line O'Type sponsored a Disco Dance on April 13th for the student body. This dance was a chance to dress up, show off the disco moves you learned in gym, and basically, just have some fun with your friends. As a way to kick off the three-day weekend, students filled the West Gym, which looked awesome, mirrored ball and all. Hopefully, this will be a new tradition at MHS.

Miranda McKenzie
and friend

William VanVooren

Olivia Crouch &
Rayanna Hurt

The teachers got into the spirit of the Disco Dance by dressing up in 70's inspired clothes. Mr. Gorgal even led the kids as they danced "The Hustle."

Allanna Holmes and Sarah Manary decided to go with 70's punk at the disco.

Students went all out for the Disco Dance Costume Contest. The crowd cheered for the finalists, who were chosen by the teachers. It was a close call, but Isaiah Randall was the big winner and took home the \$50.00 prize.

The gym looked amazing and truly became a disco for the night.

Super FANS

Pink
Out!

The Fieldhouse Frenzy made a comeback in this year's student section! On Friday game nights, Moline High School students of all ages gathered to cheer on the Maroons. Each game had a different superfan theme, like black out, camo, goon squad, neon, or beach. It was especially exciting during basketball season as the super fans cheered on the team during play-offs. For the Sectional semi-final game in Ottawa, the super fans filled up several buses for the two hour ride and showed Danville our amazing school spirit!

Most Likely To...

Rebecca Schaechter

Jake Pittington

Hannah Frye

Alden Marske

A select few seniors were asked to tell us something that they would most likely do, or have done already. These things are something most people would recognize and agree with or just have a good laugh about. This is another way these seniors will be uniquely and humorously remembered by.

Fatimata Ndiaye

Class of 2018

Alyssia Dixon, Emily Massey, Annette Hensen, Jenna Keagle, and Isseu Cisse enjoy *To Kill a Mockingbird*.

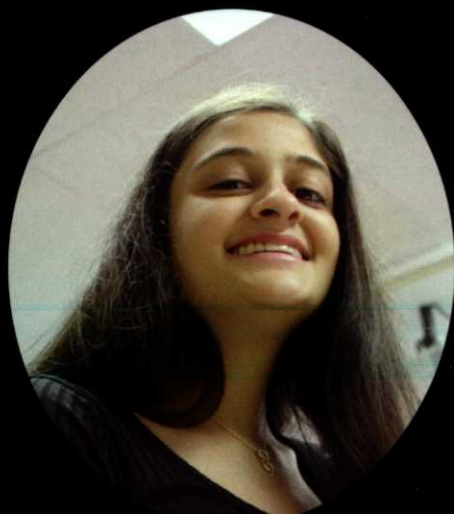

Andrew Ellison

The Junior Powderpuff Volleyball Team

This year
has been
such a
fantastic
year for
the Junior
class of
2018!

Riya Jain

Lance Kruse

Ashley Crouse

JUNIORS

These years have flown by so fast! It seems as if yesterday we were starting high school as freshman, and now we are preparing for our senior year. Staying focused was not easy, but with reliable friends and teachers, we accomplished everything. As you'll see in these pictures, this year has created many memories and relationships to last a life time.

Kayleigh Mitchum, Aurora Raymond

Edgar Rosales

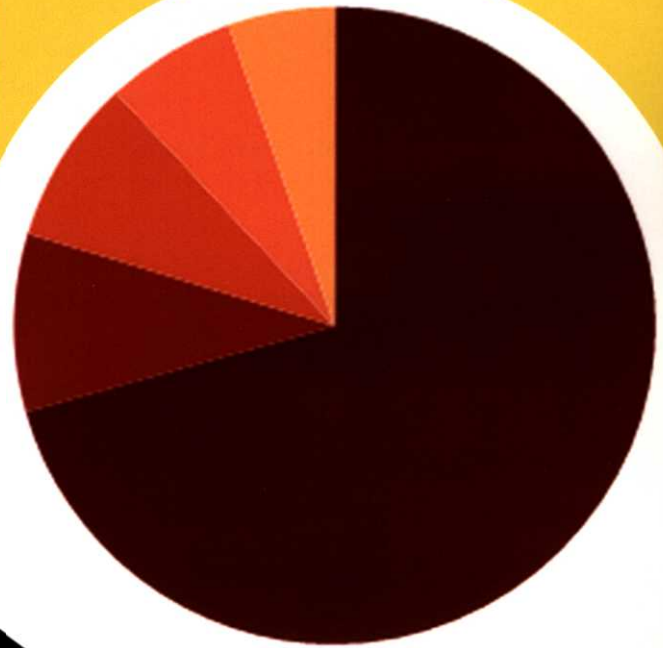

Avery Fowler

Elizabeth McDermott and Lily Glackin

Favorite Movie of the Year

We asked the Junior class what their favorite movies were from this year. With movies being such a major part of a student's life, we became curious of what everyone's favorites were. So, here in the chart to the right are some of the top movie choices of the 2016 and 2017 school year. How did Rogue One only get 8.38%?

Other (70.66%) Suicide Squad (8.98%)
Rogue One (8.38%) Nerve (6.59%) Deadpool (5.39%)

BEST QUOTES OF THE YEAR

Hunter Almanza

"If every porkchop were perfect, we wouldn't have hot dogs." - Greg Universe

Kiya Ritchie

"Be so good they can't ignore you." -Steve Martin

Laney Krebs

"I understand nothing." -Michael Scott

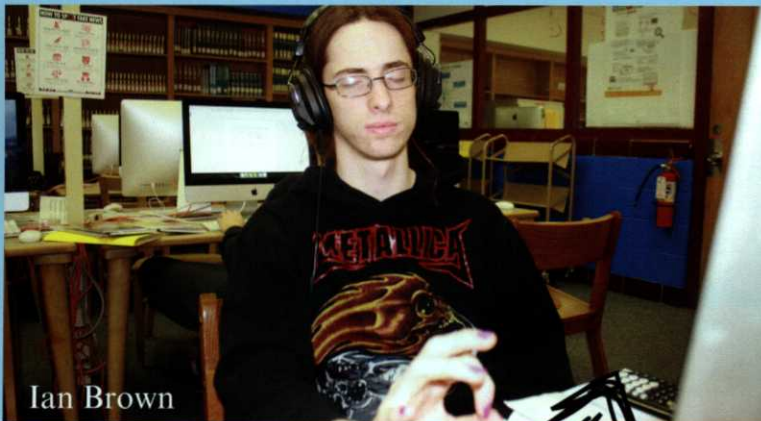

Kathryn Stock

"Don't worry if plan A doesn't work, there are still 25 letters left."

FAVORITE MUSIC GENRE...

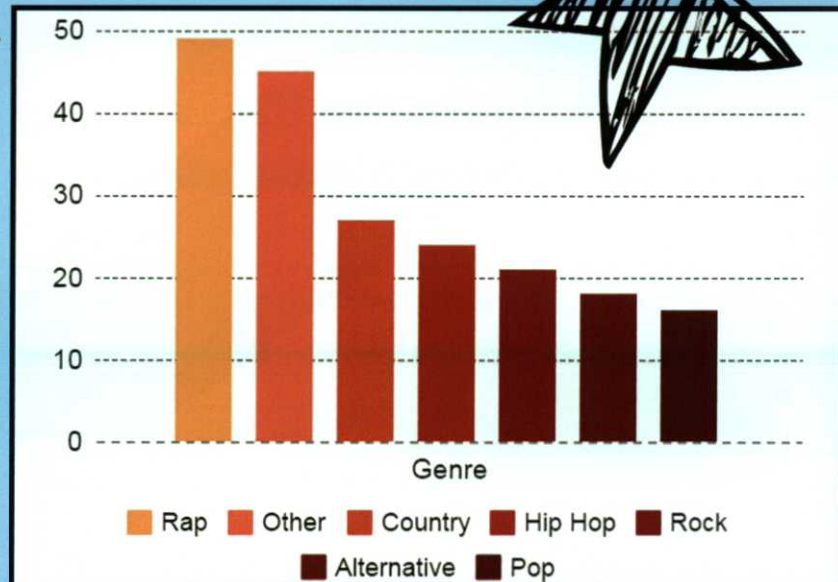

Music is an integral part to the life of any student; however, when the aux cord is passed, there is often disagreement over what to listen to. We asked juniors what their favorite genre is.

Ian Brown

Alex Diehl

According to this year's junior class, rap is the superior genre. Beyond that, however, many unique genres received votes. Aside from that, country, hip hop, and rock were the runner-ups. Coming in last place was pop music, which makes one wonder who is listening to all of the pop radio stations.

Aiyanna Delinger

MEMORIES

During the year, we have had a lot of different ways to create memories of being a junior. Starting with the bonfire, we got together at Wharton and celebrated the beginning of the school year. During the year, many of us became involved in the different clubs at MHS, ranging from Sports Unlimited to GSA. At school, we focused on our classes and had some fun, whether we were working on a project or creating a piece of art. Lastly, we helped our community by becoming involved and giving to others during the different charitable events of the year, such as Share Joys and the Hunger Drive. All in all, we became a year older and wiser as we looked forward to our final year at MHS.

CLASS OF 2019

**SOPHOMORES
IN ACTION!**

Turning 16...

Focusing On The Road

Throughout this year, the sophomores went through major changes as they turned 16. One big change was getting a license and finally being able to drive. On the left is Kelly Tounou in her car, full of excitement, now that she finally has her license. Below is Madison Porter holding her car keys ready to finally drive, and Elizabeth Swofford cruising down on the left.

The best part of turning 16...

"My parents have given me a lot more freedom with the people I hang out with and the choices I make" - Makayla Castillo

"Being able to drive myself to get food!" - Peyton Robertson

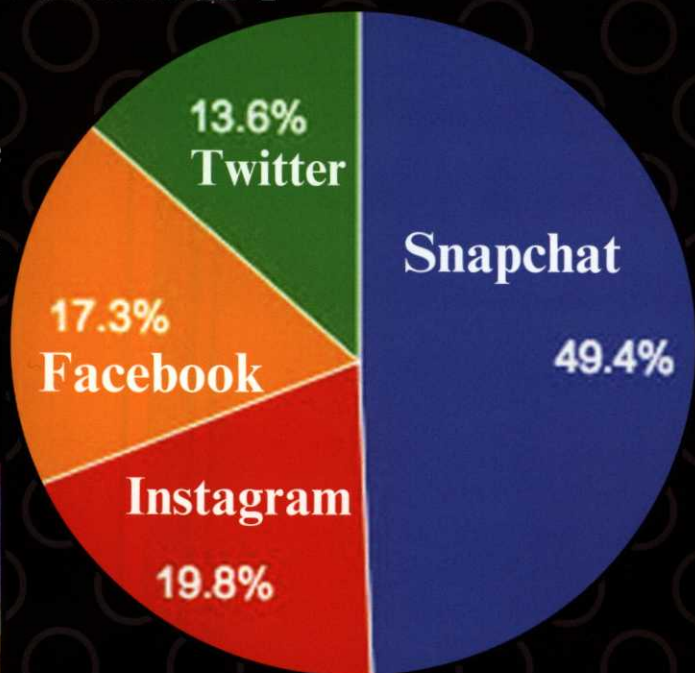

FAVORITE SOCIAL MEDIA

Social Media apps are an important part of a sophomore's life. However, every person has a different preference over which app to use. The pie chart displays the favorite social media apps among this year's sophomore class.

Above: Marco Casas is on his phone scrolling through his instagram feed.
Right: Audrey Ambrosio is snap chatting.

QUOTES THAT OUR SOPHOMORES LIVE BY...

"I do what I can and I can what I do."
-Jacob Nitzel

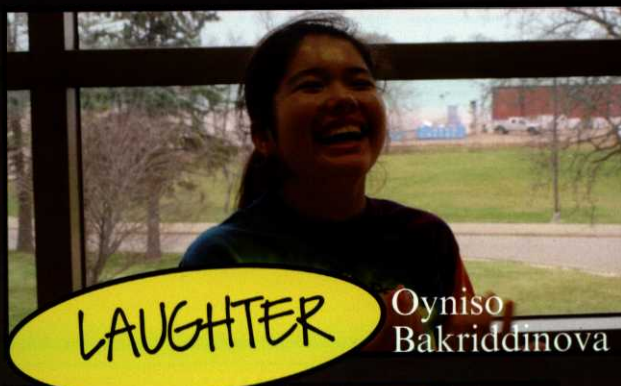

"There was a backside?!"
- Mohtadi Ali

Mr. Morton's
"Make today's mediocrity tomorrow's greatness"
- Syndie Alspaw

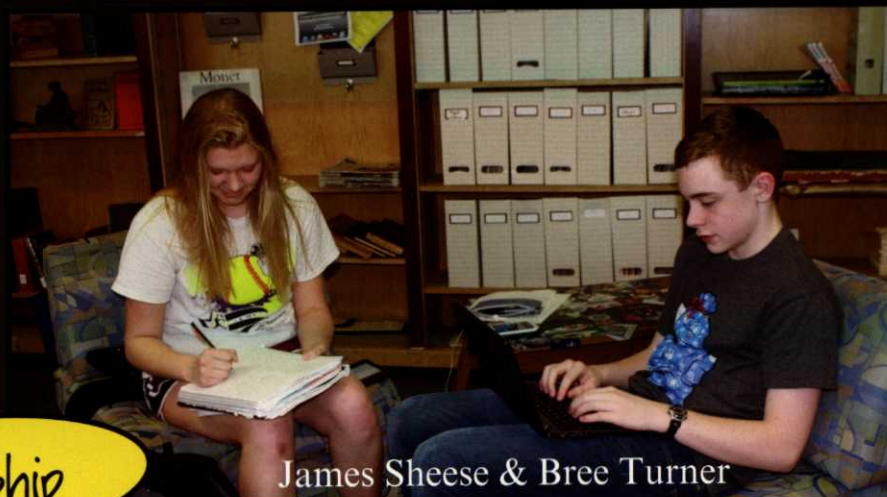

"It's going to be a long journey, but I'm ready for it."
- Graham Knott

Freshmen On the Cafeteria

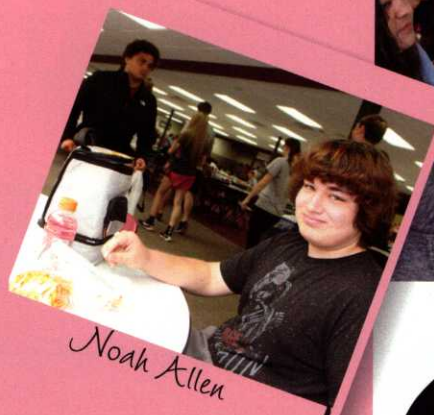

Juniper Loser

Favorite lunch line?

"My favorite lunch line is the nacho line because it's good."

Why do you pack your lunch?

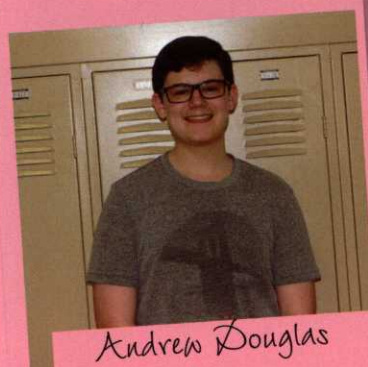

"I've tried food here before, but I think bringing my lunch is cheaper."

Noah Allen

Where's the best place to sit?

"I like to sit by the doors, so I can get in and out of the cafeteria as quickly as possible."

Andrew Douglas

What were you expecting the cafeteria to be like as an incoming freshman?

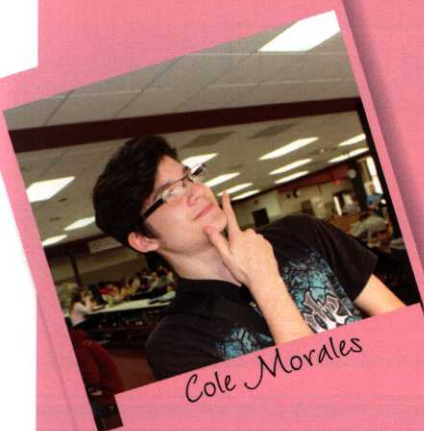

"I expected the room to be filled with tables, but seeing them now, I'm not intimidated in the slightest."

Brooke Hull

Do you miss any food choices from middle school?

"No, MHS does a great job of providing options for students; I don't miss anything."

Cole Morales

Freshmen on ...

What's For Lunch?

Everyone knows lunch is a much needed break from the long school day, but what are MHS's newest students saying about it?

TOP 5 Freshmen Cafeteria Fixes

Focusing on Future Possibilities

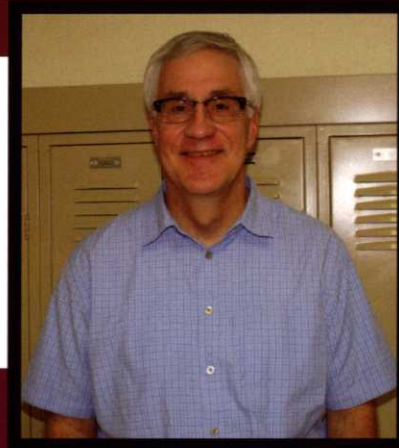

Mr. Todd Rosenthal
32 years at MHS

"My future plans are wide open. However, I know it will include enjoying my granddaughter, spending time with my family, and vacationing."

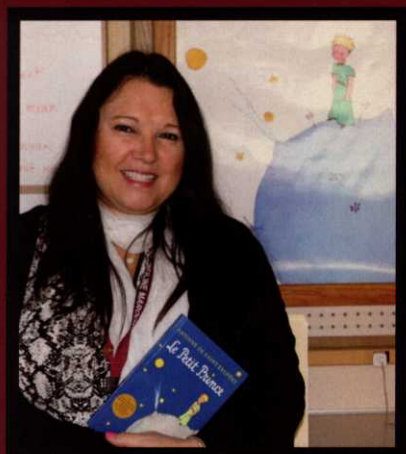

Ms. Robin Heiar
19 years at MHS

"When I retire, I plan to keep very busy with family, photography/videography, embroidery, subbing, and teaching at the post-secondary level."

Mr. Mark Slater
29 years at MHS

"I plan on traveling with a focus on bird watching!"

Mme. Nadine Larson
23 years at MHS

"Retirement will provide me with opportunities to enjoy activities that I love: spending time with my family, grandchildren and doing photography. I also want to visit my sister in France and travel with my husband."

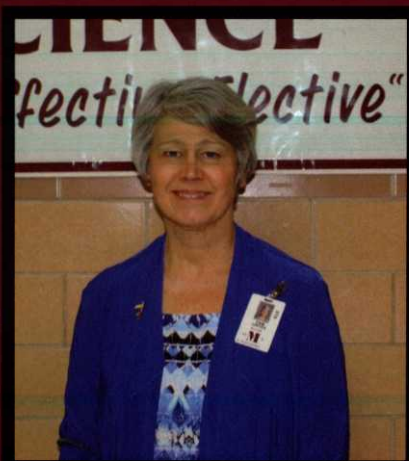

Mr. Michael Tiry
28 years at MHS

"I'm planning to take it easy and discover where the next stage of my life leads me."

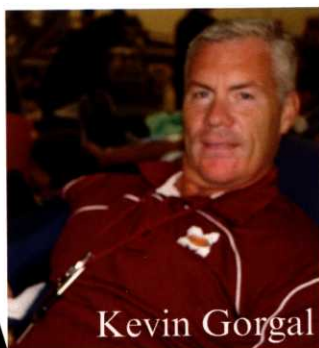

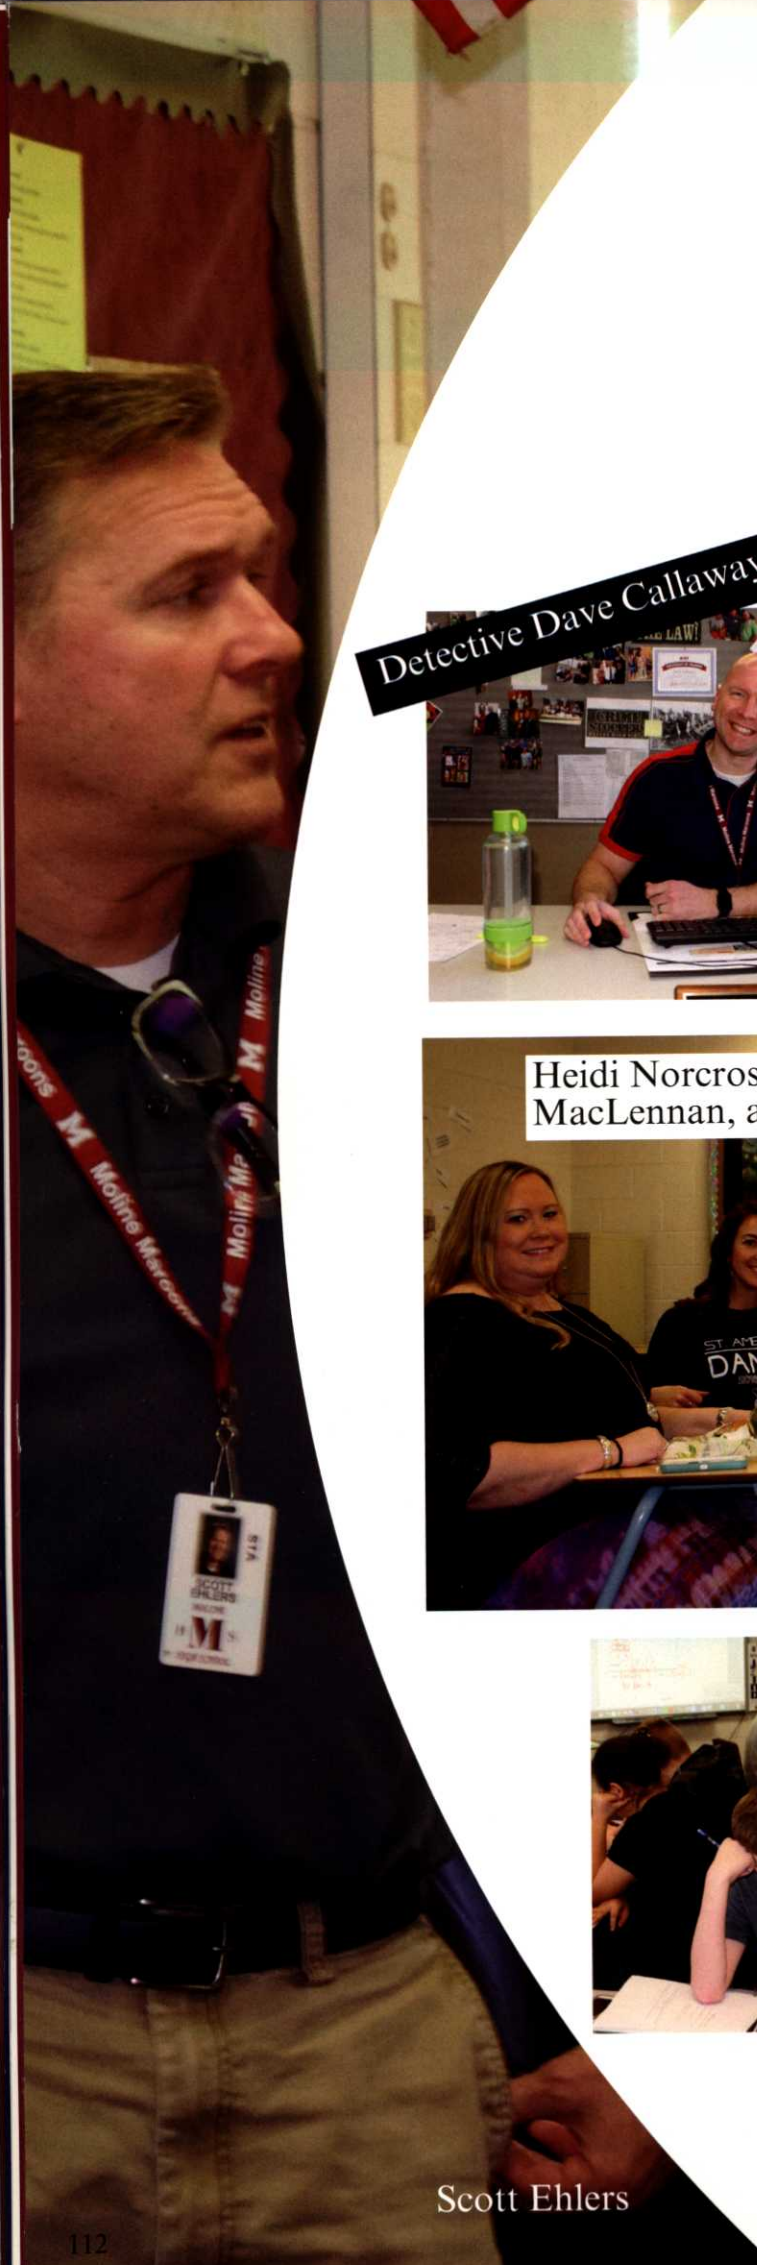

Ms. Linda Proehl
19 years at MHS

"I plan on building a new home, so that will keep me busy. I also plan on volunteering and being the best grandma I can be."

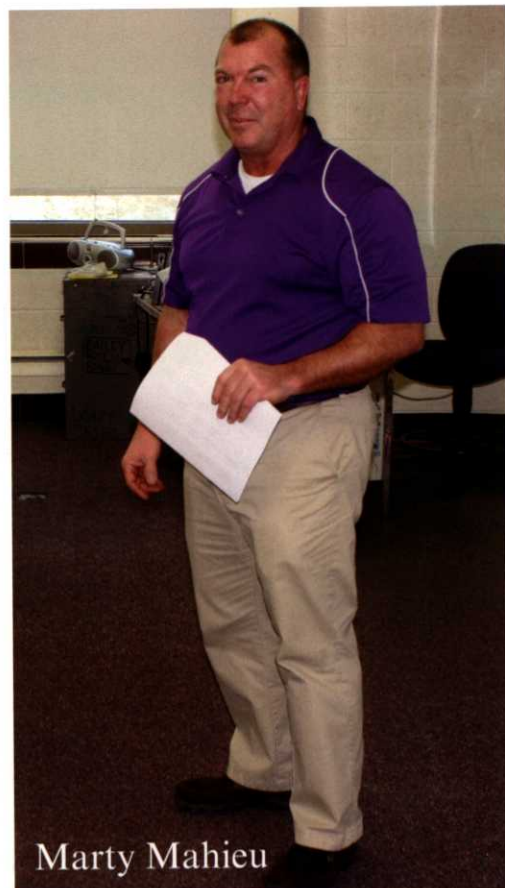

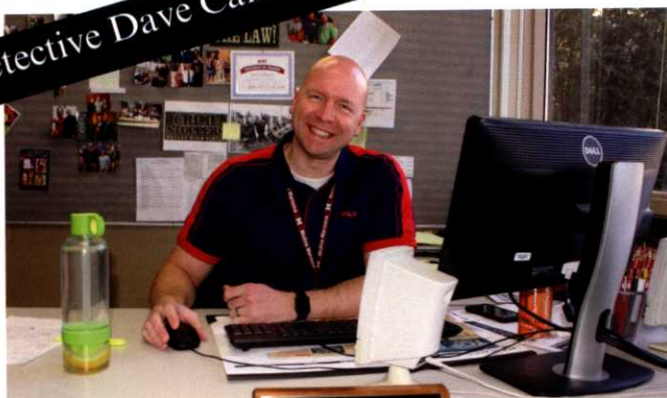

Ms. Pam Gross
18 years at MHS

"I plan on volunteering at the preschool or elementary level, traveling to South Africa, and spending lots of time with my family."

Gonzaga, UConn lead current N

By: Megan Meyer

LOT Sports Reporter

Time and time again, collegiate basketball fans have asked themselves if any Division I NCAA Championship game can compare to the heart-stopping thriller that was the 2016 Men's Title game. The bout that some dub "the best in history" was filled with a back-and-forth battle between powerhouse Villanova and North Carolina. The final ten minutes of the game were a three-point shootout from North Carolina's Marcus Paige (24-74) and Villanova's Kris Jenkins (23-24). In the end, Villanova won 77-74. Many non-

point the thrill-seekers. Official seedings will be released on March 12th, but current rankings help predict what seed each team will receive. According to the ESPN, the top four men's teams in the nation are Gonzaga (1), Villanova (2), Kansas (3), and North Carolina (4). Even so, both ESPN and CBS predict that Villanova will ride its momentum from last year's title win to a top ranking in the Eastern region. Also predictably ranked #1 is Gonzaga in the West, North Carolina in the South, and Kansas in the Midwest. Currently, powerhouse Gonzaga, at 28-1, has a strong bid to knock off the reigning NCAA Champions.

In the women's division, the question is not how excitingly close can the title game be, rather it is how much can the University of Connecticut win by? UConn has decisively led the way this season by winning 100 consecutive games as of February 14th. The organization has won four

consecutive championships and are currently grasping a fifth. It is currently the top seed in the East region. A #1 is Baylor in the South. The organization has won four

Spring sports kick off in WB6

By: Kiya Richie

LOT Reporter

As the snowy weather fades to crisp spring, a new season of athletics is ready to kick off here at Moline High School. During the 2016 season, the Maroons became WB6 Champions in basketball, softball, and girls' soccer. Thanks to many returning players from these sports, the spring is sure to be a season of success.

The senior from the basketball team graduated to the varsity level in 2016, so he is still re-

fresh in the basketball team. Over at Browning Field, both track teams aim to

grasp a WB6 title and clinch State Finals berths. Athletes to watch on the girls' side are returning state qualifier, Sophomore Megan Pittington and Senior Anna Finch. For the boys, Senior returning state qualifier Marcel-

lous Johnson and Senior Connor Desert look to be key contributors to team results.

All and all, the spring sports teams have the depth to bring titles to MHS as they normally do. With WB6 Sweepstakes rearing into the final stretch of the athletic year, it is sure to be an eventful season that can ensure a Moline victory for the 23rd consecutive year.

KALEIDOSCRIPT

"As one of Moline High School's creative outlets for students, Kaleidoscript is the club responsible for publishing the annual student-led creative arts magazine. Members work together throughout the school year to raise funds, advertise for submissions to the magazine, and then work through the publication process. For the past five years, Kaleidoscript members have participated in the Homecoming parade to highlight the creative side of our student body." -Mrs. Hays, Kaleidoscript sponsor

Girls Swimming & Diving

KATHERINE DOUGLAS

The Girls Swimming and Diving Team made a confident splash in the pool this fall led by new Head Coach Craig Fredriksen. Finishing with a 5-2 record in dual meets, the girls swam their way to a third place Conference ranking and a new WB6 all-time record in the 11-Dive competition. Led by the team's five seniors and a wealth of young talent, the team further placed fifth at IHSA Sectionals and sent Senior Katherine Douglas to the State Championships. With all of this success, it was undeniably a great year to be a Moline swimmer.

"My favorite memory is when we beat Rocky in a dual meet. I think our team really came together, and I felt so close with everyone."

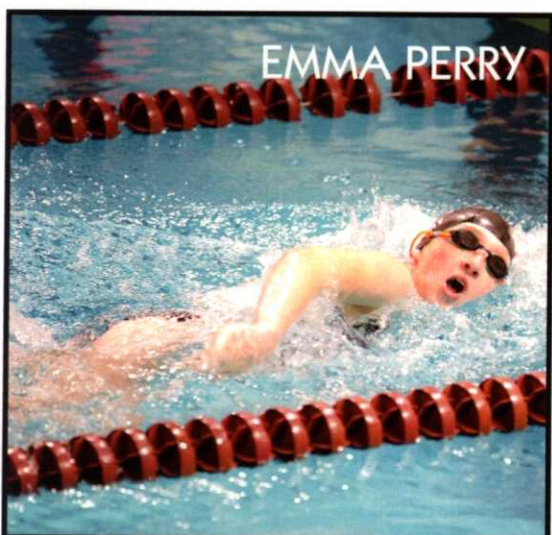

-Gabbi Lopez

Volleyball

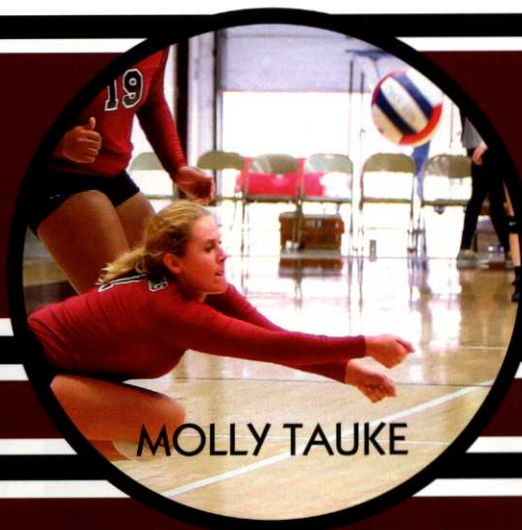

The volleyball team had another very successful season this year. Finishing with an overall record of 26-9 and a conference record of 11-1, the girls earned a share of the conference title with Quincy. The close bond the team formed off of the court paralleled their domination on the court. Although seven seniors will be leaving the team next year, the remaining girls are hopeful to carry on the legacy they left behind.

Excellence was the dominant theme of the fall season. Finishing with a winning record, the boys built momentum toward reclaiming the Western Big Six Title after dropping it the year before. In a tight match, the team upset Quincy to take the outright Conference title. Unfortunately, the boys did not repeat as Regional Champions after last season's victory, but they have set their sights on taking back that title come next fall.

Girls Cross Country

After graduating many key Senior athletes last year, the Girls Cross Country team faced an uphill battle to complete another strong season. In the face of such a challenge to replace the depth lost, the girls stepped up and raced harder than ever before. The team competed at Regionals and qualified Alexis Wolfe to the Sectional Meet. With this quality of hard work and determination, the girls look to go far in the coming season.

Football

The football team fought hard this year to improve their skills and represent Moline out on the field. With hard fought victories over Rich South and United Township, the team proved early on that they were a force to be reckoned with. Although the boys did not have quite the season they wanted, the returning players will continue to spend time in the weight room during the off season in order to make next fall their most successful year yet.

Although expectations were set high following the addition of new Head Coach Sean Taylor to the Moline Basketball Program, the Boys Basketball team exceeded those expectations. The season began slowly, but the boys got into a dominant rhythm by the season's end that contributed to their winning record (17-12). Adding to the success, the Maroons clinched a Regional Title with a 63-53 win against Ottawa. With many key players returning next winter, the squad has its sights set on a Conference Championship and a State Finals run.

Boys Swimming & Diving

PETER SON

AUSTIN MORRIS

The Boys Swimming and Diving Team dove into the winter season dominantly and never let up. Finishing with an undefeated dual meet record for the second year straight, the Maroons were clear favorites to win Conference titles. Just as expected, the boys became two-time WB6 Champions, and Sophomore Austin Morris set a new Conference record in the 100-yard backstroke event. One week later, the team added to their successes when Morris and the 200-yard medley relay qualified for the State Championships. Continuing to ride the wave of dominance into next year, the boys have their sights set on a WB6 three-peat and a Sectional Championship title.

NOAH VYNCKE

PALIDIN MARTINEZ

ANTONIO TAPIA

Boys Wrestling

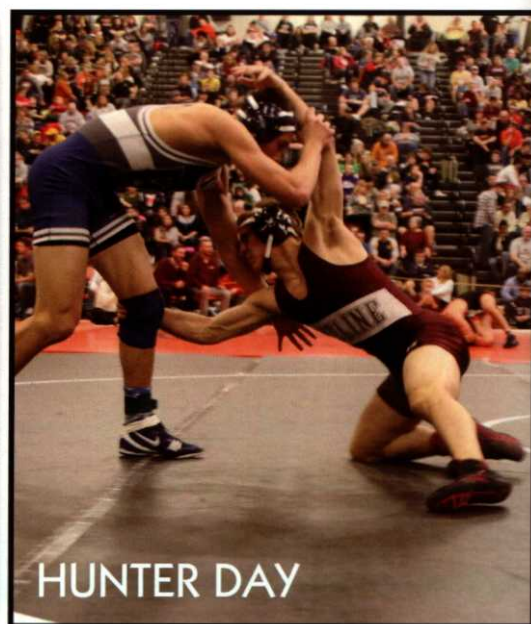

Grappling with high expectations and the loss of many experienced Senior wrestlers last year, the Boys Wrestling Team continued their tradition of excellence. Winning their fourth-straight Conference title, the boys built strong momentum heading into the postseason. At regionals, the team placed third and advanced an impressive seven athletes to the Sectional Meet. Although no one progressed further, the youthful squad values the experience they gained and hopes to qualify next season.

What is your biggest motivator?

"Every day I thought about what my team would think of me if I didn't try hard."

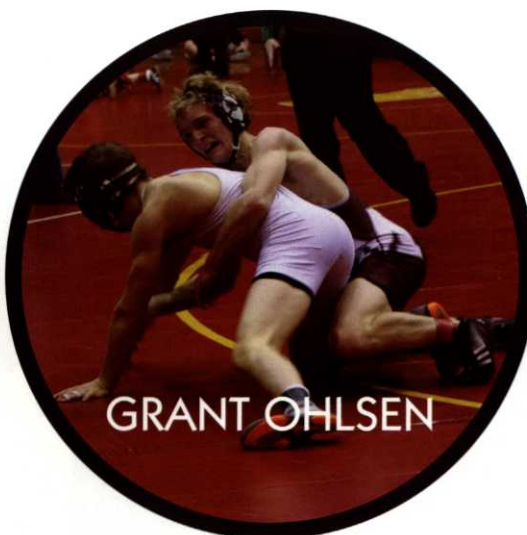

-Omar Wilson

Maroons Baseball has started the spring season off on a strong note after winning eight of its first eleven games. The varsity squad also remains 2-0 in Western Big Six play early in the season. Working hard, the boys hope to repeat as Western Big Six Conference champions after last year's title win. The team has a great combination of youthful talent and upperclassman experience that will carry them far into the postseason.

BRODY LYALL

Brody,

The world is most definitely a better place thanks to you! Your integrity, work ethic, and giving spirit will take you far. Your beautiful smile has always brought joy to our lives. Reach for the stars, but keep your feet on the ground! Love you to the moon and back!

Mom, Dad, and Kianna

Alex Meyers

Congratulations, Alex!

We are so very proud of you and the kind, young man you are. May life bring you all the success and happiness you deserve!

*We love you,
Dad, Mom, and Rachel*

MYAH JOHNSON

Myah,
We are so proud
of you and your
accomplishments.

Love you always.

Love,
Mom and Dad

Congratulations, "M" Staff Seniors!

Without all of you,
the book never
would have been
finished on time.
You will be missed!

Ms. Hafner

Tremere Morney

Tremere,
Grandma surely knows her
little guy has become
an outstanding
man. Your
perseverance
is our reward.
Congratulations,
Tremere!
Your Family

Lauren,
We are so very proud
of you! You are a
constant joy.

Love,
Mom, Dad, and Amelia

Lauren Welvaert

In Memory of Angel Perez 1998– 2015

*Congratulations class of 2017!
You are the future.*

*In case nobody told you today...
You're beautiful.
You're loved.
You're needed.
You're alive for a reason.
You're stronger than you think.
You're going to get through anything with
help.
I'm glad you're alive.
And don't ever give up.*

*You may know my name.
Not my story.
You see my smile.
Not my pain.
You read my lips.
Not my mind.
My story isn't over yet.*

Depression is not an act.
Bipolar is not an excuse.
Eating disorders are not phases.
Suicide is not a coward's escape.
Self-harming is not a cry for attention.
Addicts can't snap out of it.

Please understand and if you struggle in life understand
there is help.

The Publication's Office
Moline High School
3600 Ave. of the Cities
Moline, IL
61265

309.743.8856

The 2017 "M" Staff would like to thank the following for all of their help
in creating this year's book:

Landon Cosner for designing the cover art, JoAnn Newberg and Nicki
Lambrecht for putting up with us in the bookstore, the amazing
custodial staff for keeping the pub clean, everyone on the yearbook staff
who worked tirelessly to finish on time, and all the students who let us
take their pictures and trusted us to put them in the yearbook.

Thank you for a wonderful year!

Autographs

*Goodbye, Class of 2017!
Stay Focused!*
